REV. A. L. TELFORD  
Called as Pastor of the Third Baptist Church and Takes Charge at Once.

Following the prayer meeting in the Third Baptist church Thursday evening, a meeting of the members was held relative to the election of a pastor for the church. The meeting was called by Rev. Deacon Barnes, after which Robert McLearn presided. For the past few months Rev. A. L. Telford of New London, Mass., has been supplying the pulpit of the church. As his term was up April 1 it became necessary to choose another minister to retain his services. Rev. Telford was given a unanimous call to the pastorate and he will take charge immediately.

Auto Chemical Called to Lock Shop Ruins.  
For the second time Friday the fire department was called to the old lock shop on North Main street about 7 o'clock in the evening. The ruins had been smoldering all day and around 6:30 o'clock the fire broke out again. The flames were confined to the places which it was impossible to reach with water in the morning, and as they seemed to be gaining headway a telephone call was sent into the central station, the auto chemical responding. After an hour's fight the flames were extinguished and the water being used. Quite a number of people were attracted to the ruins all day Friday.

Given Surprise Party.  
Mr. and Mrs. Claude Washburn of Central avenue were pleasantly surprised Friday evening by a number of friends who gathered at their home. The evening was spent in a merry and passed with games and singing and a buffet lunch was served. The guests presented Mrs. Washburn a very pretty and useful gift, including cut glass, silverware and linen. Mr. Washburn was also remembered, and the guests departed at a late hour, all wishing Mr. and Mrs. Washburn the best of luck in their married life.

No Plans to Open Plant.  
When questioned Friday as to when the Greenville plant of the U. S. F. company would start up again, General Manager J. E. ## BURGLARIES AND THEFTS

Half a Dozen in Business Section This Week Fifty Years Ago

—Stockholders of Eagle Armory Company to Start New

Norwich Bank—Farragut's Flagship Runs the Port Hudson Batteries.

Half a dozen burglaries in the same week in the business section of the city, alarmed the citizens of Norwich this week fifty years ago so that the watch committee of the court of common council was moved to advise merchants to leave a light burning in their stores to assist the police in rounding up the workers in the dark. One of the most daring acts of the maulers was to blow up a safe in the store of Ramson & Kane on Union street. The following are extracts from the Bulletin of 1863:

Big Pickering.  
March 30, 1863—David Nichols and S. Hendrick of Thompson, caught in Masonville pond the other day a pickering 27 inches long and weighing 3½ pounds. This is the largest haul reported this season.

The establishment of a new bank in Norwich has been determined upon by the stockholders of the Eagle Armory who will be the incorporators of the new bank. The bank is to be organized to supply the banking facilities required by the extensive business of the Eagle Armory Company. Its bank building will be in the new bank building in process of erection on Shattuck street.
